We are tying flies for the 2026 angling season and planning to do a new series of salmon wet flies for the 2026 Salmon angling season and adding new fly patterns to our fly inventory. Email your mailing address and let me know if you would like to receive an email notification of new fly patterns for 2026 and when the fly pattern(s) will be available.

Demand for new fresh off the vise fly patterns for 2026 may result in delayed delivery.

Today's fly fresh off the vise is the Silver Rib Size 6. The Silver Rib is one of our stock fly patterns and we are restocking for the 2026 angling season.
