Customer Appreciation Program

To promote fly-fishing we will give away 1 FREE fly of our choice for every 10 flies sold at regular retail prices.

In accordance with our Customer Appreciation Program the person to receive the FREE fly must be a first-time contact.

The person(s) who buys 10 or more flies at regular retail price may send us the name and contact information of the person to whom the fly should be sent along with the type of fishing he/she does. We will then send a FREE fly to the person on your behalf.

We reserve the right to decide who receives a FREE fly. Only 1 FREE fly to a mailing address. We hope that over the course of time all NEW contacts will receive a FREE fly.

Visit our website <http://www.flies4fishing.com/index.htm> to see our selection of flies and a list of our fly specials.

Order forms and Fly Brochure are available upon request.
