Outfitters and Guides,

Visit the website <http://www.flies4fishing.com/index.htm> and see a selection of our flies. The prices posted on the website are retail. Email for wholesale prices and fly brochures, to either mail@flies4fishing.com or sheppj@nf.sympatico.ca. Both emails are linked. The preferred email address for inquiries and orders is sheppj@nf.sympatico.ca.

Email your fly orders for a price quote. Include your mailing address, the names of the fly patterns and sizes, and the expected delivery date. We will contact you with respect to labelling and packaging. No payment required until the flies are ready for delivery.

A selection of flies on sight and packaged with your business contact information would be a great opportunity to promote your business and of benefit to the angling guests. A selected list or variety of files could be included in your customer booking price or sold at your location.
